ELEGANCE ON THE MOVE

Embark on a journey of elegance and innovation with Aus Wide Caravans' 23 Couples Rear Door, featuring a palatial rear club lounge that melds luxury with ingenious storage solutions. Revel in the freedom of an open-plan design that enhances movement and leisure, complete with a lavish seating arrangement for peak enjoyment. The opulent shower is accented by sophisticated black pack fittings, encapsulating modern luxury.

This van's thoughtful layout showcases a commitment to maximizing space efficiency, evidenced by extensive storage options and bespoke his & hers wardrobes. Every belonging finds its place, reflecting the caravan's design brilliance. Precision-engineered with CNC technology, the 22.6 Couples Rear Door is a testament to our unwavering dedication to craftsmanship.

Set forth with confidence into Australia's majestic vistas, secure in the knowledge that your caravan upholds the highest standards of quality and durability. The wait is over; seize the ideal van for creating lasting memories and rediscover the joy of companionship amidst the tranquility of nature with Aus Wide Caravans.
